**SCHOLARSHIP AWARDS**

**PRIZE DRAWING GIVEAWAYS** Win a Kodak Digital Camera!!

The convention committee is pleased to announce that once again we will host a tabletop display at the conclusion of Thursdays General Session. However, this years tabletop display session will be much improved over previous years. We will have the displays set up in a larger room and they will be part of our Supplier Hosted Hospitality Room. During the Tabletop Display Session, refreshments and hors doeuvres will be served and prizes will be awarded at various times to those in attendance. One can qualify for a prize simply by submitting a survey after each session held during the day and by visiting the tabletop displays.

We will also be presenting the Excellence In Quality Awards and the Scholarship Awards at 5:00PM in the Supplier Hosted Hospitality Room. All entries and awards will be on display for viewing during this session.

The following Companies have signed up for Convention Sponsorship to date. The IMDA membership is most grateful for your generous support.
